Note that this list should be up to date as of 2/17/2021. Since the mainstream media and the police did not release full arrest press releases or reports, these cases were compiled by checking each individual case and manually extracting the data from the Virginia Court website (<http://www.courts.state.va.us/caseinfo/home.html>). Thus, while great care has been taken to enter the data accurately, there may be missing cases, etc. However, it is believed that this is a representative sample of cases and outcomes.

If an error or omission is found, please notify Mike Dickinson, Candidate for VA 68th District House of Delegates, via email: MikeD4RVA@gmail.com.
